**Subject:** Proposed Agenda for 4/13/17 Drinking Water Meeting with U.S. EPA, Hopi Tribe and Hopi Villages

Good Afternoon,

My name is Roberto Rodriguez and I manage the drinking water Enforcement Office at EPA Region 9, San Francisco. EPA is coordinating a meeting scheduled for April 13, 2017 with Hopi Tribe, Mishongovi, FMCV, Sipaulovi, and Shungopavi representatives to discuss and follow up on EPA's February 16, 2017 Findings of Violations letters. Lionel Puhuyesva with the Hopi Tribe has also notified Village representatives of this planned meeting. Below is EPA's proposed agenda and please feel free to add any related items to the list below. Please note that, although this meeting is being held at the Inter-Tribal Council of Arizona's (ITCA) office, ITCA representatives will not participate in this meeting, nor is ITCA part of these matters. Please let me know if you have any questions or concerns.

Several EPA Region 9 representatives plan to attend this meeting in person, including:  
Thanne Berg, Acting Assistant Director, Water and Pesticides Branch, Enforcement Division;  
Roberto Rodriguez, Manager, SDWA Enforcement Office, Enforcement Division;  
Hillary Hecht, Enforcement Officer, Enforcement Division; and  
Kimby Wells, Counsel for EPA, Office of Regional Counsel.
